ASADO FROM THE GRILL

'Asado' is more than just a method of cooking; it's a cherished Argentinian tradition. This technique involves slowly flame-grilling meats over open fire and charcoal, creating a unique and flavourful experience. However, it's not just about the food; it's also a social event, where friends and family gather to feast.

Grab an **Argentinian Malbec** to pair perfectly with the rich, smoky meat
